Vote Counter's Briefing at the Beginning of the Meeting

Good evening!

Ladies and gentlemen, I am pleased to be the vote-counter of tonight's meeting.

For encouragement and fun, at the end of the meeting, our Toastmaster will give out four awards for the:

- Most humorous speaker*
- Most **improved** speaker* -- not the best speaker.
- Best Table Topics speaker*
- Best evaluator*

To give me enough time to count the ballots, please pass your ballots to me after the last evaluator <say the last evaluator's name here> before the end of the evaluation session.

GE, please remind our members to pass the ballots to me after the last evaluator.

Thank you.

*Notes

We can only award certificates if there are **3 or more speakers**.

If we only have 2 speakers, we won't award the most improved speaker or best evaluator.

If there are only 2 joke tellers: no certificate.

If there are only 2 table topics speakers: no certificate.
